May 4 Borough Council Meeting to be Held Virtually

(Greencastle, PA) Greencastle Borough Council will convene for the May 4 meeting at 7:00 p.m. The Council meeting will be conducted virtually, using the Cisco Webex platform, in response to ongoing COVID-19 restrictions issued by Governor Wolf and follows protocols currently in place by government agencies throughout the local area. The virtual meeting format will be used on a limited basis as needed to further support safe distancing restrictions under the current state of emergency.

“Our goal is to provide our residents the opportunity to participate in Council meetings, without putting anyone at risk in the current situation,” said Borough Manager Lorraine Hohl. “Web technology will allow residents to listen in to the Council meeting and we are asking anyone with questions or comments to submit them in advance for consideration and review.” Hohl added that web hosting of meetings will only be used under the current state of emergency and that any future use will be considered by the Admin-Finance Committee and then Borough Council after the pandemic has passed.

The public can listen in to the May 4 meeting by calling in to a preset number to be provided in advance of the meeting at www.greencastlepa.gov, under *Notices*. Anyone wishing to submit a comment may do so on or before 6 p.m., May 4 via USPS, the afterhours drop box at the Borough office or via email at office@greencastlepa.gov. All comments will be read at the meeting.

Essential business only will be conducted. A meeting agenda will be posted to www.greencastlepa.gov prior to the meeting and a recording and draft minutes will be posted within 24 hours after.
